Do You Still Love Me: remains unissued on official CDs in 2012!

One Cup Of Coffee: this was a A+side in JA but was a B+side in UK accompanying "Exodus".

Hoot Nanny Hoot: only an overdubbed version has been officially released. This is the unissued original.

Hooligan: coming from a white label, this is the original Hooligan. The officially released one is

Hooligan Ska, an alternate.
